Re: PATCO Corporation loss on January 29, 2000 at 51 Ballou Blvd, Bristol, RI

Dear Mr. Kulkarni:

What is this?

On March 20, 2000, we sent you, as President of Wolverine Corporation, notice that our client, the Travelers Property and Casualty Company ("Travelers"), believes that the Wolverine Corporation is responsible for the above referenced loss. For your convenience, we have attached hereto a copy of our March 20, 2000 letter addressed to you. The purpose of this letter is to notify Wolverine Proctor & Schwartz, Inc., ("WPS") that Travelers also believe that WPS is responsible for this loss.

We request that you immediately place the insurers for Wolverine and WPS on notice of claim. If you have any questions, please do not hesitate to call.

Sincerely yours,

Steven P. Perlmutter
